Mixer Monday (/engineering/channels/event/mixer-monday-370004)

17 Aug 2026 17:00 19:00

This monthly meeting is a chance for you to harness the collective knowledge of the community and overcome your current hurdles in building your current or next big idea. Talk about projects, ideas, and start-ups. It's an opportunity to meet other members of our McGill community face-to-face and strengthen connections with one another.

RSVPs preferred!

Date: Monday, Aug. 17, 2026

Time: 5:00 – 7:00 pm ET

RSVP here! (<http://forms.office.com/r/mcKSchvXTi>)

Summer Undergraduate Research in Engineering (SURE) 2026 Poster Presentation (/engineering/channels/event/summer-undergraduate-research-engineering-sure-2026-poster-presentation-373693)

20 Aug 2026 10:30 13:45

Curious about the research our students and professors have been working on this summer? Join us at the Summer Undergraduate Research in Engineering (SURE) 2026 Poster Presentation event on August 20, where our SURE students present their summer projects, joined by their professors, Faculty alumni, judges, and guests.

Online Info Session - TechAccel Program Fall 2026 (/engineering/channels/event/online-info-session-techaccel-program-fall-2026-369520)

3 Sep 2026 17:00 18:00

Come to the info session and learn about the program benefits, application process and much more!
The TechAccel Program is one of the McGill Engine's key co-curricular/experiential learning programs.
